## COURSE REIMBURSEMENT

The Senior Technical Director must approve any coaches applying to take coaching licenses in advance. Coaches who apply on their own without prior approval will not be reimbursed by the club pass or fail.

The Club will reimburse 50% once the following criteria have been met:

- Proof of successful completion of all required courses (as outlined in the Development and Qualifications section of this manual).
- A valid vulnerable sector screening.
- Completion of a coach's card requirements and registration form.

The remaining 50% will be refunded at the end of the following spring/summer season of satisfactory coaching resulting in 100% cost coverage by the club.
